ASTRM-01 Vegan Product Certification Standard

ISO 22000:2018 Food safety management systems - Requirements for any organization in the food chain

Produced by the manufacturer; Astor Mayer declares its compliance with the article of Vegan Product Certification Standard, REGULATION (EC) No 2023/2006 on good manufacturing practice for materials and articles intended to come into contact with food and the Regulation (EC) No 1935/2004 Food Contact Materials (FCMs). This certificate has been issued in accordance with the following:

- Suitability tests have been done.
- Factory production controls of compliance have been made.
- Can use the Vegan Sign on the product.

This certificate with the referred test report-audit is reviewed and attested with presumption of compliance with the essential requirements listed Astor Mayer Vegan Product Certification Standard(s) above. Other relative directive must be applied. This attestation does not abrogate the compulsory obligation of the manufacturer to issue the declaration of conformity. This certificate does not remove the responsibility in national / international trade of the company's for product safety, labeling etc. This certificate is written on subject to conditions. Any significant changes to the design and structure of the product will invalidate this certificate. The responsibility for the product and the non-test materials in accordance with the regulation is the responsibility of the manufacturer or his authorized representative. This certificate is prepared by examining the vegan audit and test results of the customer.
